

# You Are Invited To Attend Poultry Night

## Topics include:

Overview of poultry      Meat chickens  
Laying hens              Organic feed options

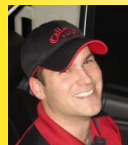

## 3 Panel Members:

**Tyler Eaton:** Tyler and his wife Shannon raise hundreds of meat birds organically at Blue Pepper Farm in Jay, NY. He has a background in environmental studies. Tyler uses chicken tractors to raise the poultry on pasture as will discuss meat birds.

**Mike Tholen:** Mike is the Farm Manager at North Country School in Lake Placid with many years of experience in all types of livestock and has been an environmental educator. Mike will be covering laying hens.

**Eric Dutil:** Eric is the family owner of Green Mountain Feeds, who focuses on organic feeds. Eric has done poultry research and will be sharing some of his knowledge at Poultry Night.
